Bristol Bay Natural Resources Defense Council FOIA (AK): On June 26th, Region 10 received an updated FOIA request from NRDC for Agency records relating to the settling, rescinding and/or withdrawing of the Proposed Determination to restrict activities in the Pebble Deposit Area to protect Bristol Bay. This FOIA request includes the same scope as the original request, i.e. internal and external communication involving the post-inauguration Presidential transition team and EPA, but extended the date range for responsive records from March 27 to June 26. In addition, since May 26th, EPA has received over 70,000 email messages urging the agency not to withdraw the Proposed Determination. The emails are addressed to the EPA Administrator and the Region 10 acting Regional Administrator.
